

Mr. J's Weekly Words

Feb.24-Feb. 28, 2020

Week at a Glance

- Focusing on singing including correct English language and singing on pitch with proper technique and good quality.
- Learning how to read music and music notation.
- Learning to play the recorders.
- How to perform together as an ensemble.
- Welcoming our many new students in all grades and getting them situated in our music classes.
- Starting to work on the G4-G5 instruments again with private lessons and soon G4-G5 Band Club.
- All four music clubs are in 'full-swing' and very successful!

"Success depends entirely on the individual and the group effort!"

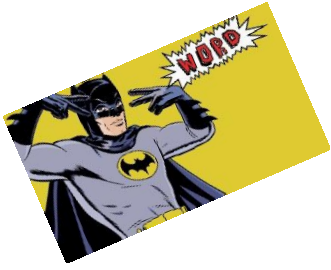

Think of the music classroom and music clubs as our own small communities.

Learning about Western and Eastern music and classical and pop music.

Learning to read and perform Western music vocally and instrumentally.

Great knowledge and learning is happening in the music room!

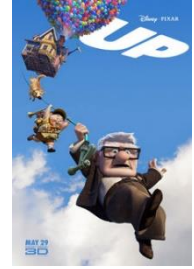

WE ARE SO THANKFUL FOR WHAT WE HAVE!!!!
