

## STAR 360 Instructions

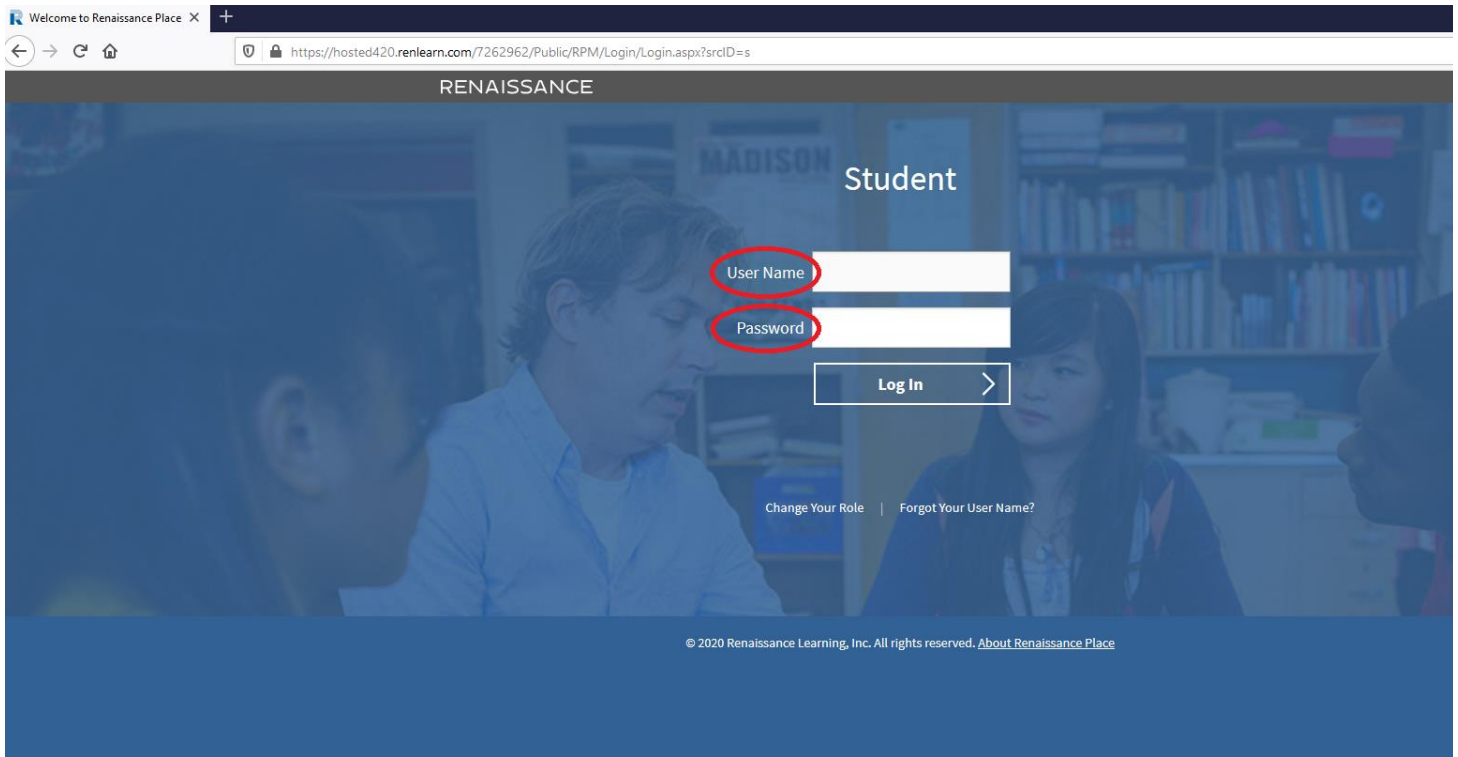

1. Go to the Team for your child's class (G1A, G1B, G2A, G3A, G4A, or G5A).
2. Find the link that Mr. Jason has posted for STAR 360:

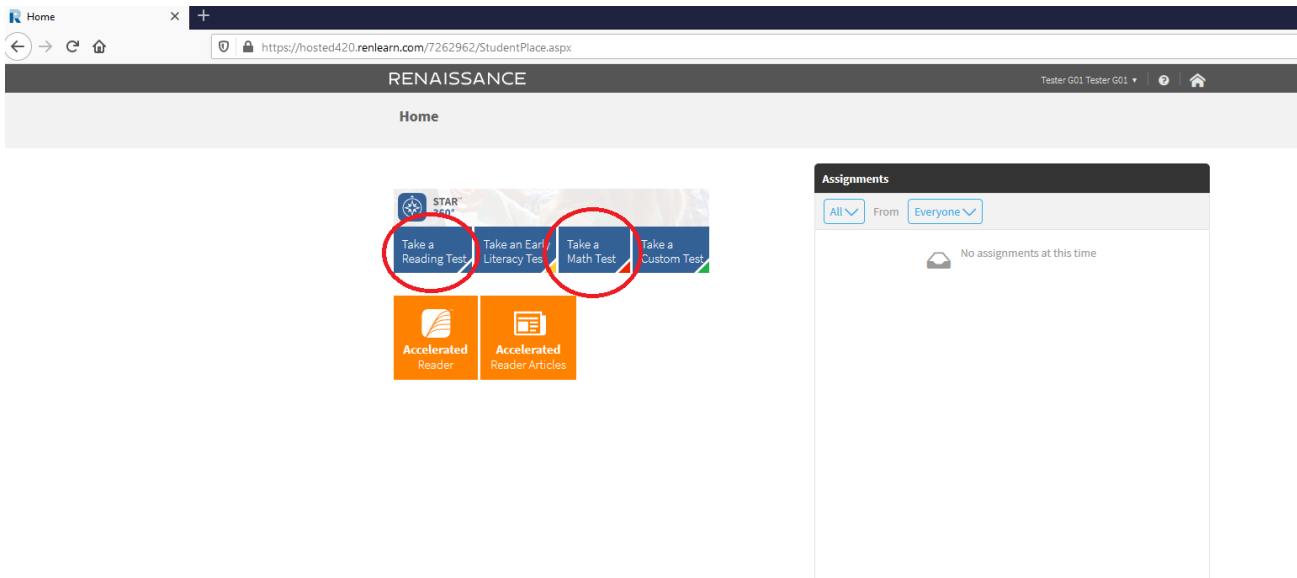

3. After clicking the link, click "I'm a student."

4. Then put in your student's login information, username and password:

5. Your homeroom teacher will then give you directions on what test to take. WE ONLY TAKE TWO: Math or Reading.

6. Answer each question the best you can. Try your hardest.  
You may not have any help from another student or parent.
7. Your scores will automatically be saved. Let us know if you have any questions or issues!
8. Please use a pencil and piece of scrap paper for the Math portion of the test!
9. Your parents will be able to get your test results from your homeroom teacher.

Thank you!
