Dear parents & guardians,

In regards to re-opening campus, unfortunately we have not received any confirmation of when we will be able to return to on-campus learning. **At this time, 12:00PM on Monday November 29, 2021, we have not received any updated information from any of the government agencies we are currently working with regarding whether or not we will be allowed to re-open and under what limitations we will be allowed to re-open.** We will update you all as soon as possible with any further developments or information.

We are doing everything we can, working tirelessly with various agencies and support groups in order to be allowed to open as soon as we can. In the meantime, we appreciate your patience and understanding regarding our school's continued online learning situation.

Thank you for your continued support of our educational program.

Sincerely,
ACIS Administration Team
